Re: CPNI Certification
EB Docket No. 06-36; EB-06-TC-060

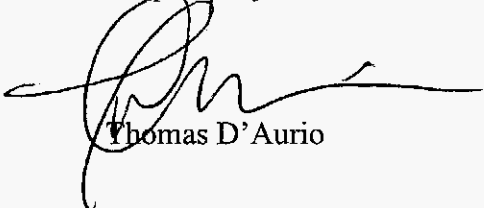

Dear Ms. Dortch:

Pursuant to FCC Public Notice, DA 06-223, released January 30, 2006, Dialaround Enterprises Inc. ("Dialaround") hereby submits this customer proprietary network information ("CPNI") certificate.

Dialaround provides long distance dial-around telecommunications services. As such, it does not have access to information that meets the definition of CPNI. Because the Commission's filing requirement was directed to all telecommunications carriers, however, Telco is submitting this certificate out of an abundance caution.

Please contact the undersigned if you have any questions regarding this matter.

Respectfully submitted,

Thomas D'Aurio

CPNI Compliance Certification

I hereby certify that, as an officer of Dialaround Enterprises Inc. I have personal knowledge that Dialaround Enterprises Inc. does not have access to any customer's proprietary network information.
